

Volunteer Program Handbook Additional Information

Become an Ambassador

As an Ambassador, you will support the outreach efforts of the FCS Foundation to bring awareness throughout FCS clinics and the communities we serve.

Many people are not aware of the services the Foundation provides, even FCS patients. By sharing the Foundation mission, you can help spread the word allowing the Foundation to serve more patients.

Wear the Ambassador button during your volunteer shift as a conversation starter!

FCS Foundation brochures are available at the clinic to share with patients and their family members.

**We hope you will share your passion and enthusiasm
for the FCS Foundation.**

All FCS sites have an Emergency Plan for situations such as severe weather, fire, and active shooter.

Please ask the Office Manager to see the Emergency Plan binder so you can review the evacuation routes, assembly/meeting locations, and other safety procedures.

For further questions, please inquire with your Volunteer Program Manager.

FCS has standardized Emergency Codes across all sites, which will help to promote effective communication during emergencies, and a safe, secure, and uniform response to a variety of situations.

<u>EMERGENCY CODES</u>	
CODE BLUE	Cardiac Arrest - Dial 911
CODE BLACK	Bomb Threat
CODE BROWN	Severe Weather
CODE RED	Fire – R.A.C.E./P.A.S.S.
CODE GREEN	Internal / External Disaster
CODE GREY	Violence / Security Event
CODE ORANGE	Haz-Mat
CODE PINK	Infant /Child Abduction
CODE PURPLE	Medical Emergency
CODE SILVER	Active Shooter – Run / Hide / Fight
CODE YELLOW	Lockdown
CODE WHITE	Hostage

FCS policy states there are no photos or videos to be taken while inside a FCS clinic or site.

In addition, there are to be no social media posts of the clinic, site or patients.

Violation of this policy is grounds for immediate removal from the Volunteer Program.
