About the FCS Foundation

The Florida Cancer Specialists (FCS) Foundation, a 501(c)3 nonprofit organization, provides non-medical financial support to qualifying adult cancer patients in the state of Florida. We believe no one should have to choose between paying for critical living expenses, or paying for medical treatment. The Foundation assists cancer patients and their families with essential expenses such as rent, mortgage, utilities, car payments, etc., so they can focus on recovery, rather than worrying about overdue bills. By giving cancer patients peace of mind in knowing that their bills will be paid while they are undergoing treatment, we allow them to concentrate on what really matters – fighting cancer.

Due to the generosity of the Florida Cancer Specialists & Research Institute (FCS) physicians, **100 percent of donations go directly to helping cancer patients in need.**

The FCS Foundation hosts fundraising events throughout Florida to raise money to support our mission. We rely on the support of our volunteers, donors and sponsors to make our life-changing work possible.

(in office & virtual)

- FCS Foundation supports cancer patients in many ways. Through our Patient Support Volunteer Program, volunteers provide comfort to patients undergoing infusion treatments at FCS clinics by bringing a warm blanket, snacks and beverages, or by lending a listening ear.
- The virtual volunteer program initiated due to the pandemic has now become a successful ongoing program. Volunteers assist remotely with responding to patient inquiries and processing applications.

"I just want to express my gratitude for your beautiful and humanitarian aid program, which supports people like me who are going through difficult health and financial situations.

This Foundation is a light on the path.
