About the FCS Foundation

The Florida Cancer Specialists (FCS) Foundation, a 501(c)3 nonprofit organization, provides non-medical financial support to qualifying adult cancer patients in the state of Florida. We believe no one should have to choose between paying for critical living expenses, or paying for medical treatment. The Foundation assists cancer patients and their families with essential expenses such as rent, mortgage, utilities, car payments, etc., so they can focus on recovery, rather than worrying about overdue bills. By giving cancer patients peace of mind in knowing that their bills will be paid while they are undergoing treatment, we allow them to concentrate on what really matters – fighting cancer.

Due to the generosity of the Florida Cancer Specialists & Research Institute (FCS) physicians, **100 percent of donations go directly to helping cancer patients in need.**

The FCS Foundation hosts fundraising events throughout Florida to raise money to support our mission. We rely on the support of our volunteers, donors and sponsors to make our life-changing work possible.

Sponsorship Opportunities

Sponsoring a Florida Cancer Specialists (FCS) Foundation event provides a unique opportunity to join with organizations, physicians, companies and supporters in communities throughout Florida to have a direct and immediate impact on the lives of cancer patients and their families.

The FCS Foundation is proud of the collaborative relationships we have established with hospitals and clinics, vendors, pharmaceutical companies, corporations, local businesses and organizations to work together to support those affected by cancer.

A Patient's Thank You

"On behalf of all those who have benefited from the donations received, I want to express my deepest gratitude. Thank you for your generosity and for making a positive difference in the lives of those who need it most."

– Catherine Johnson, Grant Recipient

We Appreciate Your Continued Support

Since its inception in 2011, the FCS Foundation has provided \$14.5M in financial assistance. Thank you for considering a sponsorship. We look forward to working with you and leveraging the collective power of our organizations to educate communities and change the lives of those we serve.

ME STRONG 5K Run / Walk

Saturday – February 1, 2025

100% of sponsorships and fundraising goes directly to non-medical financial assistance for cancer patients.

Location: DeLand, Florida
 Time: 8:00 a.m. EST.
 Expected Attendance: 6,000
 Event Website: MESTRONG.net

Be Part of a Beloved 5K Race Tradition!

The ME STRONG 5K originated with the dream of bringing hope and happiness during a time that is often considered dark and frightening. When DeLand, FL resident Linda Ryan was diagnosed with recurrent cervical cancer her four close friends organized an event that would reflect Linda's kind spirit, passion for healthy- living, and determination to persevere. The inaugural ME STRONG 5k was a highly spirited event that ignited a ray of hope for community members who had been touched by cancer.

After reflecting on the success of the inaugural ME STRONG 5K, the five women shared a belief there was much more in store for the future of ME STRONG. By late spring of 2012 ME STRONG was a registered 501c3 charity with a mission to support friends, families and community members battling cancer.

Each passing year the ME STRONG 5K has continued to grow in popularity. In 2024, the event attracted close to 6,000 participants and hundreds of spectators from across the state! To date, the ME STRONG 5K has raised more than 2 million dollars and provided \$193,000 for local patient grants for those battling cancer.

The FCS Foundation is thrilled to be the non-profit recipient organization for all funds raised by this ever-popular event ... and, as in years past, Florida Cancer Specialists & Research Institute will be the Presenting Sponsor.

With the support of our legacy partners, the Rotary Clubs of West Volusia, we anticipate a phenomenal event that will make a huge difference in the lives of cancer patients and their families.

A Patient's Thank You

"Without the support, care, and compassionate work of the FCS Foundation, which helps those in financial need facing difficult health circumstances like myself, I probably would be on the streets. Thanks to their support, I was able to keep my car and could focus on looking for employment to get back on my feet."

– Shanna Coley Hughes, Volusia County

Sponsorship commitment & payment deadline: January 6, 2025

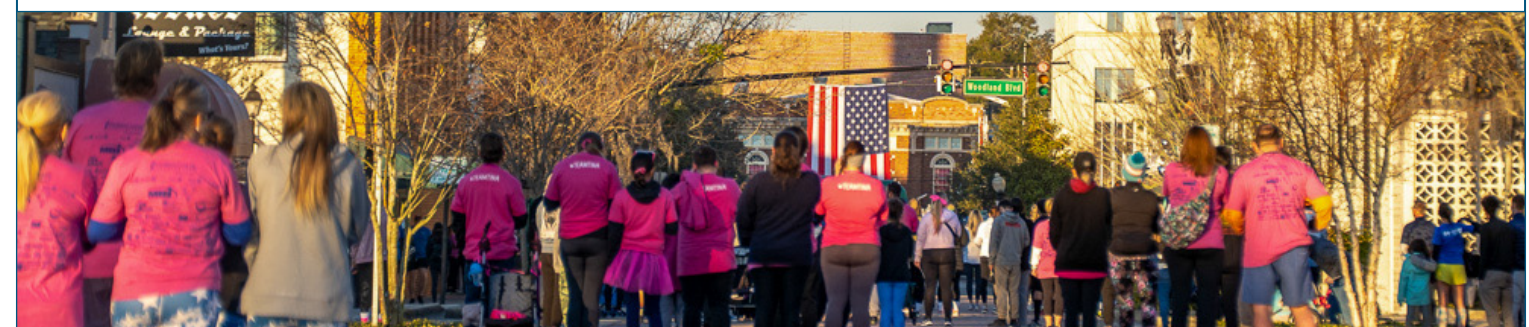

Each year, the annual 5K raises money to support our community members and their families in the fight against cancer.
