Compassionate Support
for Patients in Need

A Message from Lynn Rasys, Executive Director

Dear Friends and Supporters,

As we prepare to celebrate the 15th Anniversary of the Florida Cancer Specialists Foundation in 2026, we are deeply grateful for your role in making this milestone possible. Your sponsorship has been essential to our mission, bringing comfort, dignity, and hope to thousands of cancer patients and their families.

Your support provides more than financial relief; it provides peace of mind. Because of you, patients can keep a roof over their heads, maintain essential utilities, and cover transportation or phone bills that connect them with care and loved ones. The true value of your sponsorship is seen not in dollars, but in the resilience of patients who can rest a little easier, the families who face tomorrow with less fear, and the countless lives touched by your support.

Looking ahead, we are excited to share new sponsorship opportunities for 2026, outlined in the enclosed packet. These events will not only celebrate our 15-year legacy but also expand the reach of our mission, so that no patient has to face cancer alone.

Thank you for standing beside us and helping light the way forward with your partnership.

With heartfelt appreciation,

Lynn Rasys

for Patients in Need*

About the Florida Cancer Specialists Foundation

The Florida Cancer Specialists Foundation, a 501(c)3 nonprofit organization, provides non-medical financial support to qualifying adult cancer patients in the state of Florida no matter where they are treated. We believe no one should have to choose between paying for critical living expenses, or paying for medical treatment. The Foundation assists cancer patients and their families with essential expenses such as rent, mortgage, utilities, car payments, etc., so they can focus on recovery, rather than worrying about overdue bills. By giving cancer patients peace of mind in knowing that their bills will be paid while they are undergoing treatment, we allow them to concentrate on what really matters – fighting cancer.

Due to the generosity of the Florida Cancer Specialists & Research Institute (FCS) physicians, **100 percent of donations go directly to helping cancer patients in need.**

The Florida Cancer Specialists Foundation hosts fundraising events throughout Florida to raise money to support our mission. We rely on the support of our volunteers, donors and sponsors to make our life-changing work possible.

ME STRONG 5K

Saturday – February 21, 2026

Join us on Saturday, January 31, 2026, and be a part of something special. Run or walk, with every stride we're making a difference supporting local cancer patients in need.

Location: DeLand, FL	Time: 8:00 a.m.	Website: FCSF.org/MeStrong2026
--------------------------------	---------------------------	--

Be Part of a Beloved 5K Race Tradition!

The ME STRONG 5K originated with the dream of bringing hope and happiness during a time that is often considered dark and frightening. When DeLand, FL resident Linda Ryan was diagnosed with recurrent cervical cancer, her four close friends organized an event that would reflect Linda's kind spirit, passion for healthy living, and determination to persevere. The inaugural ME STRONG 5k was a highly spirited event that ignited a ray of hope for community members who had been touched by cancer.

After reflecting on the success of the inaugural ME STRONG 5K, the five women shared a belief there was much more in store for the future of ME STRONG. By late spring of 2012 ME STRONG was a registered 501c3 charity with a mission to support friends, families and community members battling cancer.

Each subsequent year the ME STRONG 5K has continued to grow in popularity. In 2025, the event attracted more than 6,000 participants and hundreds of spectators from across the state! To date, the ME STRONG 5K has provided nearly 2.5 million dollars in financial aid for local patients battling cancer.

The Florida Cancer Specialists Foundation is thrilled to be the non-profit recipient organization for all funds raised by this ever-popular event ... and, as in years past, Florida Cancer Specialists & Research Institute will be the Presenting Sponsor for the 15th Anniversary of ME STRONG in 2026!

With the support of our legacy partners, the Rotary Clubs of West Volusia, we anticipate a phenomenal event that will make a huge difference in the lives of cancer patients and their families.

A Patient's Thank You

"I wasn't sure how I was going to keep my home, but thanks to the FCS Foundation I was able to pay my rent and keep food on my table. The medical chain reaction of events was overwhelming, and I am so grateful to the FCS Foundation for their support. The support gave me peace of mind and it allowed me to get caught up on my important bills."

– Jenny Schaefer-Smart, Volusia County

15th Anniversary Club payment deadline: **October 15, 2025**

Regular payment & commitment deadline: **January 9, 2026**

Each year, the annual 5K raises money to support our community members and their families in the fight against cancer.
