## A Message from Lynn Rasys, Executive Director

Dear Friends and Supporters,

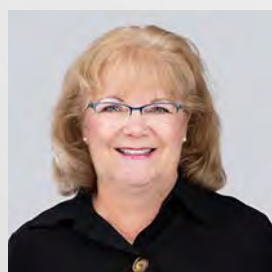

As we prepare to celebrate the 15th Anniversary of the Florida Cancer Specialists Foundation in 2026, we are deeply grateful for your role in making this milestone possible. Your sponsorship has been essential to our mission, bringing comfort, dignity, and hope to thousands of cancer patients and their families.

Your support provides more than financial relief; it provides peace of mind. Because of you, patients can keep a roof over their heads, maintain essential utilities, and cover transportation or phone bills that connect them with care and loved ones. The true value of your sponsorship is seen not in dollars, but in the resilience of patients who can rest a little easier, the families who face tomorrow with less fear, and the countless lives touched by your support.

Looking ahead, we are excited to share new sponsorship opportunities for 2026, outlined in the enclosed packet. These events will not only celebrate our 15-year legacy but also expand the reach of our mission, so that no patient has to face cancer alone.

Thank you for standing beside us and helping light the way forward with your partnership.

With heartfelt appreciation,

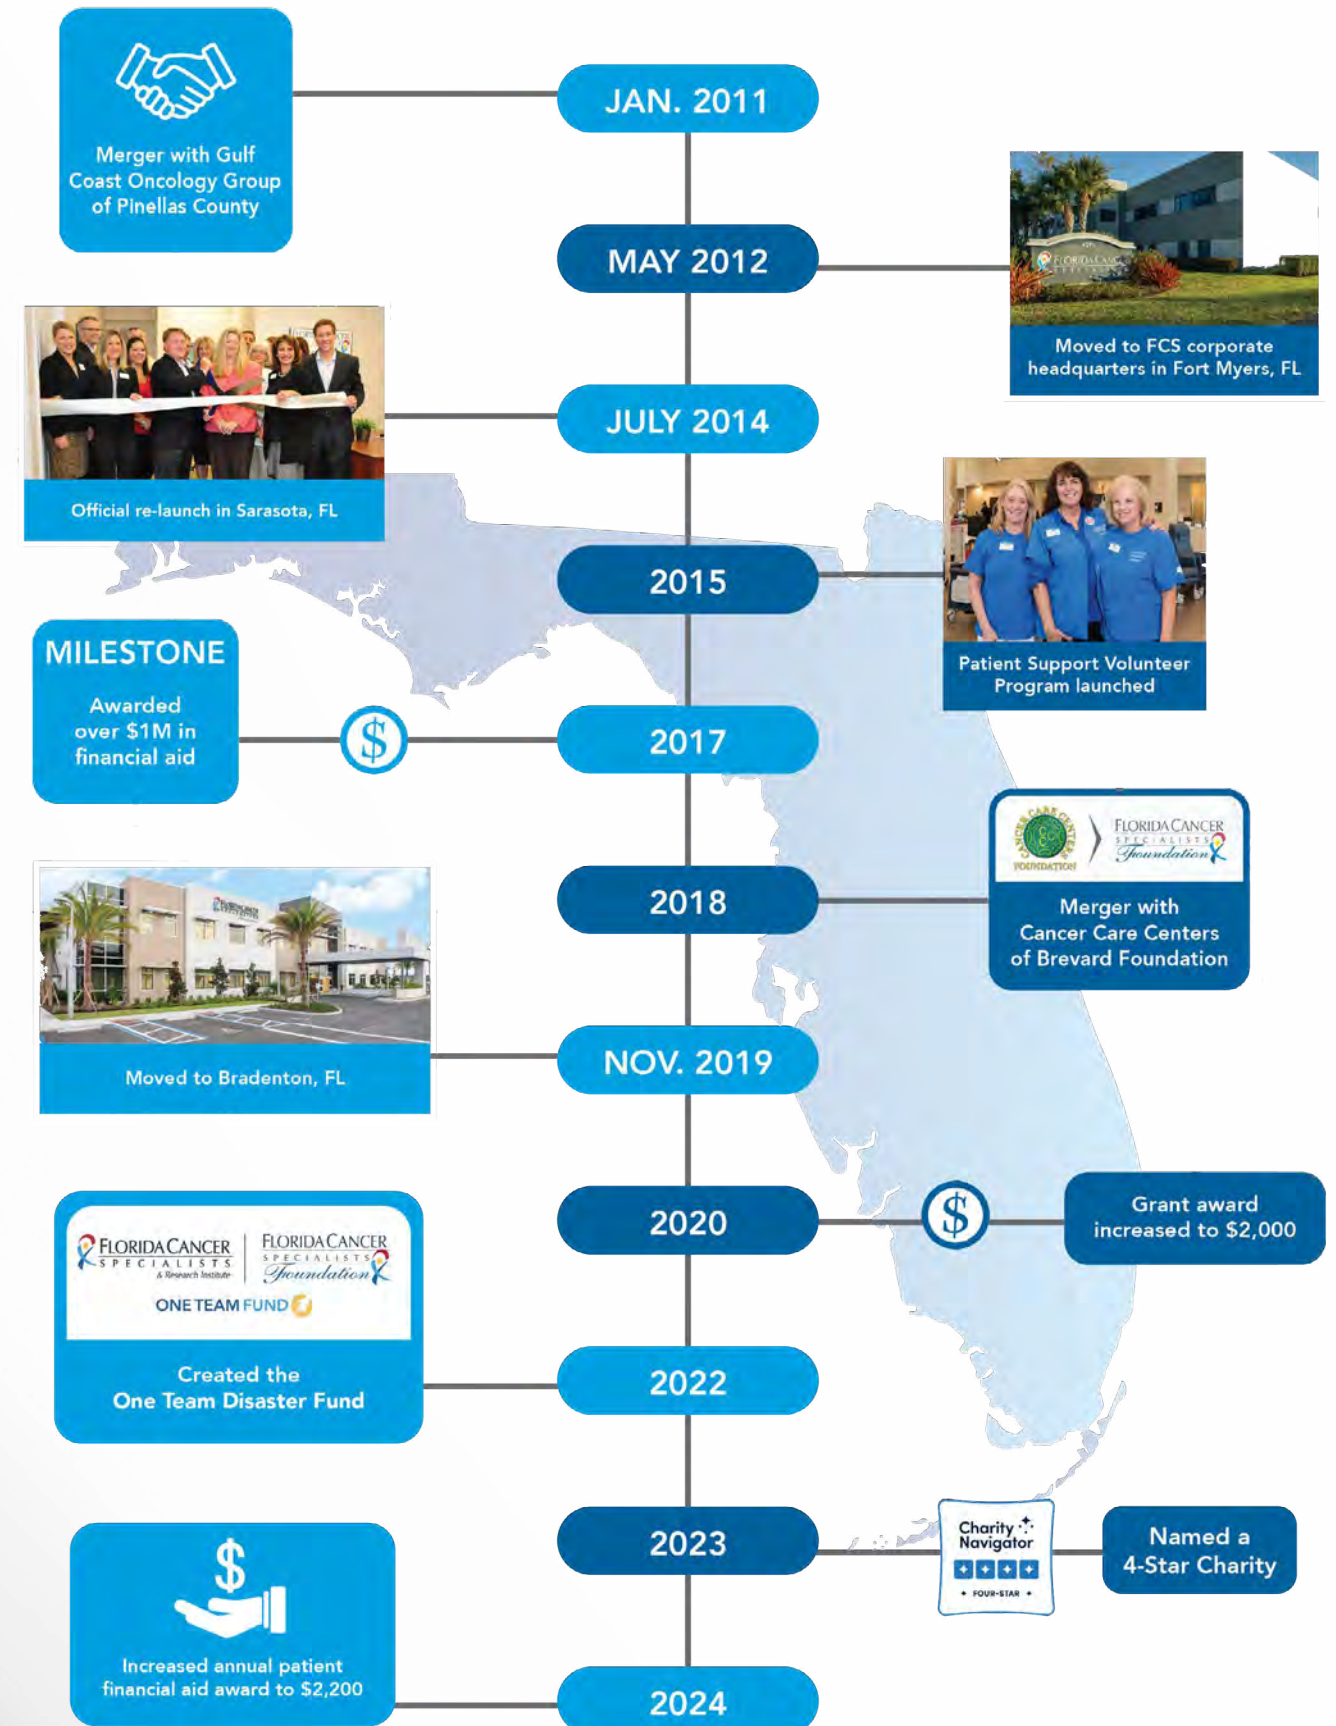

*Lynn Rasys*

Lynn Rasys,  
Executive Director

## Florida Cancer Specialists Foundation Timeline

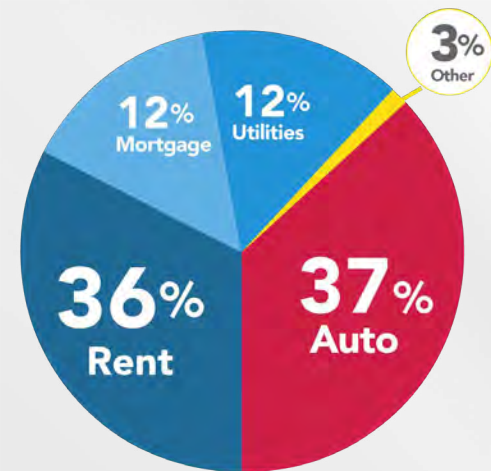

Compassionate Support  
for Patients in Need

## About the Florida Cancer Specialists Foundation

The Florida Cancer Specialists Foundation, a 501(c)3 nonprofit organization, provides non-medical financial support to qualifying adult cancer patients in the state of Florida no matter where they are treated. We believe no one should have to choose between paying for critical living expenses, or paying for medical treatment. The Foundation assists cancer patients and their families with essential expenses such as rent, mortgage, utilities, car payments, etc., so they can focus on recovery, rather than worrying about overdue bills. By giving cancer patients peace of mind in knowing that their bills will be paid while they are undergoing treatment, we allow them to concentrate on what really matters – fighting cancer.

Due to the generosity of the Florida Cancer Specialists & Research Institute (FCS) physicians, **100 percent of donations go directly to helping cancer patients in need.**

The Florida Cancer Specialists Foundation hosts fundraising events throughout Florida to raise money to support our mission. We rely on the support of our volunteers, donors and sponsors to make our life-changing work possible.
