About the Florida Cancer Specialists Foundation

The Florida Cancer Specialists Foundation, a 501(c)3 nonprofit organization, provides non-medical financial support to qualifying adult cancer patients in the state of Florida no matter where they are treated. We believe no one should have to choose between paying for critical living expenses, or paying for medical treatment. The Foundation assists cancer patients and their families with essential expenses such as rent, mortgage, utilities, car payments, etc., so they can focus on recovery, rather than worrying about overdue bills. By giving cancer patients peace of mind in knowing that their bills will be paid while they are undergoing treatment, we allow them to concentrate on what really matters – fighting cancer.

Due to the generosity of the Florida Cancer Specialists & Research Institute (FCS) physicians, **100 percent of donations go directly to helping cancer patients in need.**

The Florida Cancer Specialists Foundation hosts fundraising events throughout Florida to raise money to support our mission. We rely on the support of our volunteers, donors and sponsors to make our life-changing work possible.

Sponsorship Opportunities

Sponsoring a Florida Cancer Specialists Foundation event provides a unique opportunity to join with organizations, physicians, companies and supporters in communities throughout Florida to have a direct and immediate impact on the lives of cancer patients and their families.

The Foundation is proud of the collaborative relationships we have established with hospitals and clinics, vendors, pharmaceutical companies, corporations, local businesses and organizations to work together to support those affected by cancer.

A Patient's Thank You

"On behalf of all those who have benefited from the donations received, I want to express my deepest gratitude. Thank you for your generosity and for making a positive difference in the lives of those who need it most."

*– Catherine Johnson,
Financial Assistance Recipient*

We Appreciate Your Continued Support

Since its inception in 2011, the Florida Cancer Specialists Foundation has provided **\$16.5M in financial assistance**. Thank you for considering a sponsorship. We look forward to working with you and leveraging the collective power of our organizations to educate communities and change the lives of those we serve.
