

Compassionate Support for Patients in Need

Florida Cancer Specialists Foundation provides financial assistance for adult cancer patients and their families undergoing treatment in Florida, no matter where they are treated. We help pay for essential expenses, such as rent or mortgage, utility bills and car payments, so patients can focus on what really matters – **fighting cancer.**

How You Can Help

DONATE / LEAVE A LEGACY

A cancer diagnosis can change everything. For some, it may mean the added stress of financial hardship. Your donation will help ensure that no qualified patient is turned away – and due to the generosity of the Florida Cancer Specialists & Research Institute physicians in paying all overhead expenses for the Foundation, 100% of all donations go directly towards patient financial aid.

VOLUNTEER

The gift of your time makes a real difference. Volunteer opportunities include:

- **Patient Support Volunteers** provide non-medical assistance to patients in the infusion/treatment area. The Foundation serves more than 60 clinics throughout the state.
- **Administrative Support Volunteers** assist the Foundation office (virtual or in-person).
- **Event Support Volunteers** help at various fundraising events across Florida.

**To learn more about the FCS Foundation, please
visit FCSF.org or scan QR code on the back.**

5985 Silver Falls Run, Suite 210
Bradenton, FL 34211
Phone: (941) 677-7181
Fax: (813) 623-4703

The Florida Cancer Specialists Foundation is a 501(c)3 nonprofit organization as designated by the IRS. The Foundation's EIN number is 20-4616813. The Foundation is also registered in the State of Florida, Registration No. CH24320.

Financial Aid

To be eligible to receive financial assistance, patients must:

- Be age 18 or older and a current Florida resident
- Be actively undergoing cancer treatment or within 90 days of final treatment. Eligible treatment includes chemotherapy, radiation, immunotherapy, hormone therapy, and hematopoietic progenitor cell transplantation.
- Have annual household income at or below 250% of national poverty guidelines
- Be treated by a Florida oncologist
- Have less than \$5,000 in liquid assets
- Have only received financial assistance for one year or less

All applications must be submitted online at
FCSF.org/financial-aid

- If you do not have access to a computer, please call the Foundation to have a volunteer or staff member help you complete an application over the phone. You may bring required documents to your oncologist's office for them to assist you in faxing documents to **813-623-4703** or emailing them to **foundation@flcancer.com**

Nourish Hope is a food support program of the Florida Cancer Specialists Foundation that helps adult cancer patients access nutritious food during treatment. Eligible patients receive grocery gift cards to ease food insecurity, reduce stress, and support healing when it's needed most.
